

Manufacturing Technician

Position: permanent, full time

Salary: £26,000 – £32,000 p/a

Nu-Star is a small, fast growing global business based in Ednaston, Derbyshire. We are a specialist Original Equipment Manufacturer (OEM) of pedestrian operated, battery powered, electric tugs and electric utility vehicles for moving, pushing, pulling and manoeuvring industrial loads.

We supply our products to various sectors all over the world, including exports to; Europe, Asia, Africa, the Middle East, Australia and New Zealand.

We have a wide product range and continuously innovate by working closely with customers to design, engineer and manufacture bespoke products and attachments to meet their material handling needs. No challenge is too big or small and we pride ourselves on customer service and delivering solutions.

The ideal candidate will be experienced in building mechanical assemblies and be used to physically demanding work. They need to be keen to work, be energetic and willing to take a proactive approach to the requirements of a busy engineering environment.

Manufacturing Technician duties here at Nu-Star:

- Build and assemble new electric tugs
- Complete Pre-delivery inspections of all new machines
- Process new orders using the CRM platform
- Picking and packing of spare parts orders
- Assist with the loading and unloading of vehicles using a forklift truck
- Service customers' electric tugs and provide the office team with an accurate break-down of parts and labour incurred
- Stock management of parts
- Provide after-sales support
- Consistently working to good standards of health and safety

What we're looking for:

- At least 4 years' experience in a similar role
- Mechanical background
- A good working understanding of electrics and wiring
- The ability to work from engineering drawings, schematics and technical information.
- Excellent problem-solving skills, using own initiative
- High degree of accuracy and strong attention-to-detail
- A willingness to get stuck in, with a 'can-do' attitude
- A good timekeeping and attendance record

What we can offer you

- A competitive salary
- 38.5 hour working week
- 24 days holiday per year + Bank Holidays (rising to 27 days with length of service)
- Company pension scheme (Employer 7% and Employee 5%)
- Early finish Fridays
- Free on-site parking

Location

Nu-Star is based in a purpose-built high spec 7,000 sq. ft factory in Ednaston, Derbyshire. It's a beautiful and tranquil rural setting, just 6 miles from Derby city centre, easily accessible by A52.

Due to the location candidates must hold a full driving licence.
